Linda Causee : 1,000 Any-Size Quilt Blocks (Leisure Arts #5593) before purchasing it in order to gage whether or not it would be worth my time, and all praised 1,000 Any-Size Quilt Blocks (Leisure Arts #5593):

0 of 0 people found the following review helpful. We love it.By Gail MorganWe have a Arts Crafts Gallery, one of our artists paints Bar Quilts. I have a copy of this book at my store and the artist has one at her shop. Customers can pick out a pattern and I can quickly reference the pattern to our Barn Quilt artist. We love it.0 of 0 people found the following review helpful. Three StarsBy Chip MillerBook is super, just wish I could find a dvd to go with it.0 of 0 people found the following review helpful. Great book/cd-easy to useBy CustomerSaw this book at local Hancock store, was going to get it there when the store closed down, but it was gone! Great book/cd-easy to use!

Most quilters today have easy access to a computer and printer -- either their own or at an office supply or copy center.

So it's simple to pop a CD into the computer and print a particular block pattern in just the right size for a project. This book not only gives patterns for 1,000 quilt blocks, but the accompanying CD offers each block in six different sizes from 4" to 15". This gives the quilter immense flexibility. The blocks are organized by styles such as Four-Patch or Nine-Patch, and all blocks are shown in full color. There are choices for the beginner as well as more challenging ones for advanced quilters. This big treasury of blocks is a must-have book for every quilter's library.

About the Author Linda Causee of San Diego, California, has been writing and editing quilting titles for more than 20 years, first as the quilting editor at American School of Needlework (ASN Publishing) and then producing quilting titles for Creative Partners. A co-owner of Creative Partners, Rita Weiss of Escondido, California, is a widely acclaimed needlework author, designer, and teacher. While she may be better known as a crocheter, her first love has been quilting. She has been writing quilt books since 1975 and has served as president of the International Quilt Association (IQA).
