**Laura McFadden : 1,000 Handmade Greetings: Creative Cards and Clever Correspondence** before purchasing it in order to gage whether or not it would be worth my time, and all praised 1,000 Handmade Greetings: Creative Cards and Clever Correspondence:

6 of 6 people found the following review helpful. 1000 Little Paper PresentsBy Amie NeedhamThis book was everything I was hopping it would be. The cover is very clever and colorful. Plus, tons (I mean 1000) lovely handmade cards to look at. Bright pages and unique styles all in one book.This is in no means a DIY book or "How to", it's mainly a celebration of handmade cards and the artists that create them. A perfect gift for anyone crafter who loves paper and paper arts.1 of 1 people found the following review helpful. Lots of inspirationBy AlexandriaWould I have paid full price for this? No. But on sale it was worth it. This is not a technique or how-to book. It is a gallery of what others have done. Flipping through it, gets the creative juices flowing.0 of 0 people found the following review helpful. Very good for meBy M. FischerNice book with lots of ideas! I think you will like it if you are seeking inspiration.

Even in this current day and age, where we are all senders and receivers of voluminous emails, handmade greeting cards, stationery, and invitations never lose their charm or fail to touch the heart. This book is a delightful showcase of 1000 exciting and contemporary hand-designed greeting cards, with examples that feature a wide array of paper craft

techniques, including: paper cutting, paper stencils, stamping, punching, stitchery, monoprints, screenprints, paper piecing, and more.

About the Author Laura McFadden is a freelance art director living in Somerville, Massachusetts. She is a former design director for Inc. magazine. She currently runs her own graphic design studio, called Laura McFadden Design, Inc., and has contributed to various craft books and magazines for publishers such as Rockport Publishers, Martingale Company, and Handcraft Illustrated
