From SixthSpring Books : 1: Vogue Knitting Stitchionary Volume One: Knit Purl: The Ultimate Stitch Dictionary from the Editors of Vogue Knitting Magazine (Vogue Knitting Stitchionary Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised 1: Vogue Knitting Stitchionary Volume One: Knit Purl: The Ultimate Stitch Dictionary from the Editors of Vogue Knitting Magazine (Vogue Knitting Stitchionary Series):

0 of 0 people found the following review helpful. Simply OutstandingBy Bill HorvathIf you're like me and you like to design or texture your knit projects on the fly, this is an excellent resource. The number of patterns is simply mind-boggling, and each one includes a designation of how many stitches your rows should have in order to use it (e.g., "Multiples of 8, plus 2"), which turns out to be a key feature. The only downside to this book is that it lacks an index, so be ready with lots of Post-Its to mark your favorites.Note: The photo is a hat I made using the bamboo stitch outlined in the book.1 of 1 people found the following review helpful. Worst Stitch Dictionary I Have Ever SeenBy RebeccaI didn't think this stitch dictionary had a good variety of stitch patterns at all. I'm completely unimpressed with Vogue knitting now. All pretentious pride and no real effort? I only gave it two stars because the seller was so prompt to deliver.0 of 0 people found the following review helpful. goodBy Kindle Customergood book

An essential reference for knitters from novice to expert, this fully illustrated sourcebook is the first of three "stitch dictionaries," to be written by the professionals at Vogue Knitting. Some 300 stitches are detailed, and hundreds of charts, photographs, and illustrations make it easy to understand how to construct each stitch, as well as the ways they

can be used in projects. The experts at Vogue Knitting demonstrate rib stitches such as brioche, herringbone, chevron, and quilted patterns; traveling patterns like parquet, ripple, and diamond stitches; lace, including daisy and wave patterns; and such unusual stitches as eye of lynx, bobble block, peppercorn, and bamboo. The most complete book of its kind, this is the definitive stitch reference!
