**Suzanne McNeill : 10-Minute Blocks 2: Variations on 3-Seam Squares** before purchasing it in order to gage whether or not it would be worth my time, and all praised 10-Minute Blocks 2: Variations on 3-Seam Squares:

2 of 2 people found the following review helpful. It is as easy as the book said it would beBy seam ladyI actually made a comforter for my granddaughter from the book. It turned out beautifully. And I am going to be making another quilt very soon for my daughter. It is as easy as the book said it would be. The only thing is when you sew the middle seam it wants to lay a little wonky and I wasn't prepared for that, but with pins it lays flat and when you open the block up it looks just like the pictures in the book.5 of 5 people found the following review helpful. I like this bookBy

skybarr This book has several different big block patterns to choose from. The directions are clear and go step by step. Even though they are just squares they have different details to each one. A Starburst, a Windmill, Orange Peel, Sampler Blocks, Oasis, Pom Pom. I started with what looked like the easiest one, the Oasis. I liked it but the 4)10x10 blocks was a bit large for my taste. I would like to try more patterns from this book but I just don't care for the huge blocks it makes. These blocks are a nice twist from the ordinary if you like big blocks. 2 of 2 people found the following review helpful. Awesome ideas that are Quick! By Ima Reedagal From now on my quilts are going to be reversible and I know just which ones I am going to turn to in order to whip up a quick back, using similar fabrics! Great ones that could happen on their own but will make my more complex quilts POP! Suzanne McNeill is a quilting genius and I am so glad she has shared with the rest of us.!

Make fabulous quilts with the 10-minute block technique! You will love the straight seams and curved line designs. There's plenty to please in this collection: For a new approach to pinwheels, check out Solar Winds Experiment with fussy cuts in Oasis Dazzle your family with a stunning Starburst Feel the thrill of finishing a quilt in an afternoon Take 10-Minute Blocks further, expanding the possibilities with a stunning array of easy to execute designs. Experiment with positive-negative blocks, discover layers of pattern, and just have fun! The 12 block sampler quilt will inspire you all year long, whether you assemble it as a block of the month, or make an entire quilt from each delightful square.
