Brent Frankenhoff : 100 Baddest Mother F*#!ers in Comics before purchasing it in order to gauge whether or not it would be worth my time, and all praised 100 Baddest Mother F*#!ers in Comics:

Truncale I had purchased () the Comic Buyer's Guide Presents 100 Sexiest Women of Comics and this guide (100 Baddest Motherf*#!ers in comics) at the same time. However, I received the Sexiest Women issue before this volume. I read and reviewed the Sexiest Women issue and loved it. I also liked reading this one, but I admit to not knowing quite a few of these comic book characters. I used to be a real comic book fan when I was a teenager but got away from it until the Sin City, 300, and the Watchmen movies came out. After seeing those films I again began having an interest in these types of graphic novels etc. The artists really make the characters come alive and the following is just a sample of some bad dudes you will find listed in this collection: Batman, The Hulk, The Joker,

Wolverine, The Spirit, Rorschach, The Comedian (I thought there would be more characters from the Watchmen's series, as well as the many bad characters in Frank Miller's Sin City series), Hell Boy, Ghost Rider, Judge Dredd, Iron Man, Jonah Hex, Rick Grimes, Blade, and Thor. In conclusion, if you are an action comic book fan and collector, this volume along with the 100 Sexiest Women are must have volumes for your personal collection. Rating: 4 Stars. Joseph J.
