Really cool product.By Kathleen MangrumBook with CD arrived quickly and as described.

If you love foundation piecing, you'll love this book and CD by Linda Causee. The days of standing at the copier making copy after copy are over! Just pop the CD into your computer, click on the desired block in the size you want (2 to 8 inches) and print out all of the paper patterns you'll need for a bed-sized quilt, a wall hanging, or even a

miniature quilt. With 100 different blocks to choose from, the hardest part is choosing which one to work on first. If you have never tried foundation piecing, where every piece meets perfectly, now is the time to try it. You'll be amazed at just how fun and easy it is to create perfect blocks! Designs are for Traditional Blocks, Travel, Curved, Calendar, Stars, Christmas, and Garden.
