There were really only about three projects in the book that I will reproduce. Copied those pages and passed it on to my daughter who found several other she wanted to make. Lots of knitting and baking which is not my forte. 0 of 0 people found the following review helpful. Good By Cassidy S. There are some neat crafts in here, but most of them you could probably think of on your own. But it was really cheap so I guess it's pretty good. 0 of 0 people found the

following review helpful. Five StarsBy Beverly A BrownNice and easy projects

A fabulous collection of 101 quick and simple projects, from gifts and favours to cards, decorations and cakes. The ideas are split into handy occasion-themed sections, including the most popular celebrations of weddings, birthdays and Christmas. All projects are suitable for beginners and cover a range of crafts, including papercraft, sewing and cake decorating.
