Love this book - it's filled with ideas By TXKLLove this book - it's filled with ideas, crafts, stories, games and much, much more to celebrate and rejoice in Christmas! 0 of 0 people found the following review helpful. Five Stars By Jennifer BrownGreat ideas! Loved it! 0 of 0 people found the following review helpful. I'm so glad a friend of mine introduced me to this book By AmyI'm so glad a friend of mine introduced

me to this book. I am always looking for ways to make the Christmas season a more Christ centered holiday for my family and this book was just what I needed to spark some ideas. I love her twist on changing the 12 days of Christmas into the 12-day nativity to focus on the Savior and his birth. The book also shares other ways to celebrate the nativity, how to celebrate with neighbors, how the nativity is celebrated around the world, a list of children's books that focus on the nativity, and even includes templates for the activities that require some craftiness. This book is great for families of all ages and would make a wonderful and thoughtful gift too.

Bring your family closer to Christ this Christmas with twelve days of activities, recipes, service projects, and crafts. Each day you'll focus on the symbolism and meaning behind one of the figures from your Nativity set. Learn about Mary, Joseph, the shepherds, and-of course-baby Jesus, and create a holiday tradition you'll want to repeat year after year.
