Review of pattern bookBy Virginia HallThere are some patterns that we would like to have enlarged so that he could make lawn ornaments for them for next holiday season.0 of 0 people found the following review helpful. ExcellentBy P. J. FergusonBook is a great help. As a beginner, it gave me tips on how to use scroll saw patterns. Loved the book.

Simple to make, easy to paint, and guaranteed to light up your Christmas tree--this colorful book is filled with ornaments for beginners and pros alike. Using a limited amount of woodworking tools and equipment, each ornament is pictured in easy-to-use, clear patterns with full instructions on how to cut them out on the scroll saw. Plus, Arthur Grover details his unique "painting by area" technique. Once you've mastered it, the possibilities are endless as small improvisations will create new and unique ornaments time and time again. Full color photographs, simple, clear patterns, and easy-to-understand instructions make this book ideal for anyone who would like to try their hand at creating their own ornaments for a unique Christmas tree, whether they are an experienced woodworker or just beginning.
