waist bands. Would like to be able to print instructions so I could read them better. 2 of 2 people found the following review helpful. GreatBy CustomerI ordered the kindle version and it's great. I've made several outfits, they are darling.

This book " 18 Inch Doll Clothes--Crochet Patterns--Second Edition" contains ten different crochet patterns for the 18 inch dolls such as the American Doll and the Springfield Doll. Each crochet pattern contains explanations and teaching so the customer can learn how to design their own crocheted doll clothes. The customer should have no difficulty locating any of the supplies needed for each crochet pattern. International customers that have difficulty purchasing the needed supplies for each pattern may substitute the yarn/thread and follow my gauge for each pattern. Have fun making each garment!
