That Patchwork Place : 200 Blocks from Quiltmaker Magazine: Original Patterns from Today's Top Designers before purchasing it in order to gage whether or not it would be worth my time, and all praised 200 Blocks from Quiltmaker Magazine: Original Patterns from Today's Top Designers:

1 of 1 people found the following review helpful. A good addition to your quilting libraryBy Kristine SmithThere is a great deal of variety in this book and I appreciate that the pieced blocks are easily represented with a simple list of cutting dimensions and an "exploding" illustration depicting the assembly. Sometimes fewer words do make the process clearer. The accompanying CD with the printable paper-pieced patterns and appliques is also very helpful. I have not personally had any pattern problems but I have it on the authority of a quilting instructor that some of the pattern information in the book is incorrect. In the meantime, I am planning projects and will be alert to possible

discrepancies but I am sure I will find this book very useful. 5 of 5 people found the following review helpful.
AWESOME Book By Liz MI purchased this book for more ideas on blocks to use for my Quilt-A-Long book. However, there is a couple of blocks for piecing that instructions were incorrect. So before you start cutting away, read the instructions and make sure each piece will fit with other pieces. I don't think Quiltmaker proofed each block. Otherwise, this book is awesome. 2 of 2 people found the following review helpful. Can't decide... By Shirley Swift The only problem here is deciding which block to make first. Do I make a sampler quilt with lots of them or a 2 block quilt. But then... which two..... how do you decide between so many great blocks. Try a block a day for months..... then have lots of sampler quilts. Fantastic book.... wonderful blocks. Gotta go make more blocks.

Now in one value-packed book, find 200 quilt-block patterns from Quiltmaker magazine's popular 100 Blocks collections. Full-sized applique and foundation-piecing patterns are included on the bonus CD. Try block styles ranging from simple patchwork to applique, foundation piecing, hand embroidery, and yo-yos. Quickly find what you're looking for in the user-friendly block index. Create blocks that all finish at 12"; quilt setting ideas include yardages

200 Blocks from Quiltmaker Magazine (published by Martingale) is a wonderful resource. Subtitled Original Patterns from Today's Top Designers, this collection comes with a useful CD so you can print out your chosen block and audition blocks together to see what secondary patterns emerge. Includes applique, pieced, mixed media and foundation pieced blocks. The blocks are a uniform 12" size so you can mix and match. From stars to shoes, Baltimore applique to naves, there is something for all tastes here. Recommended for guild libraries. --New Zealand Quilter Magazine From the Inside Flap This value-packed book features inspiring blocks from the popular Quiltmaker 100 Blocks collections. Includes a user-friendly block index, plus full-sized patterns on the bonus CD. About the Author Quiltmaker Magazine is one of the world's favorite traditional quilting magazines.
