

creations - refreshing to see what others like me are coming up with. However, in a practical sense, I would never recommend "200 More Great Scrapbook Layout Ideas" for any scrapbooker, novice or experienced. While there are a handful of creative ideas in this spiral-bound book, most of them range from mundane to very poor in a few cases. As a novice, you may be able to generate some creative juices with this book, unfortunately you'll need to have a working knowledge of scrapbooking as there are no instructions, tips, pointers, how-to's in this book. Each entry highlights materials used to make the project, but no instructions. It is strictly a book of ideas. If you're an experienced scrapbooker, you'll likely be disappointed in the simplicity in most of the ideas. It is nice to see what other's are doing with scrapbooks, but there are better mediums to do so - clubs, magazines, etc. If you're an experience scrapbooker looking for ideas, you'll find this book to simplistic and if you're a novice, just getting started, you'll find it uninformative. 0 of 0 people found the following review helpful. A Good Book For The Beginning Scrapbooker By JENNIFER This is a good book if you are just starting to scrap or if you want basic, very simple ideas. The majority of the book seemed to be geared towards layouts that can be done in 30 minutes or less. There were a few layouts that seemed geared towards the more experienced scrapper, but in general I found the book to be a disappointment. I've been scrapbooking for 4 years and there wasn't much that I saw in this book that I haven't already seen before in either a Creative Memories idea book or one of scrapbook magazines. If you are a beginner than this book might help, otherwise I would say that you can find more interesting and challanging layouts in other publications.

Excellent detailed pictures are included in 200 MORE Great Scrapbook Layout Ideas, which is a must for any scrapbook hobbyist. The spiral bound book contains 104 full color pages with never before published ideas. Along side each idea is a list of products used. The layout ideas have been submitted from scrapbook hobbyist across the US and Canada. 200 MORE Great Scrapbook Layout Ideas contains no advertisements and no articles. It includes ideas for the beginner and experienced scrapbooker. The book has seventeen sections which include: New Year/Winter, Valentine's Day, Spring, Summer/Beach/Water, Fourth of July/Patriotic, Fall/Camping, Halloween, Christmas, Baby, Birthday, Children, School, Sports, Theme Parks/Zoo, Vacation, Wedding, and Miscellaneous. Published by Creative Concepts.

Large detailed pictues are one of "200 MORE Great Scrapbook Layout Ideas" greatest attributes. The quality of this spiral bound book is unmatched in the industry. -- From the Publisher
