The additional info in it is valuable and worth buying this issue for same. Look forward to future issues with more listings. Come on crafting locations, add your place to it for us crafters to know about you and your craft shows/events for us to learn about in the future and for years to come.0 of 0 people found the following review helpful. Finally!By CustomerFinally! a resource for crafters! This has informative how to articles AND really extensive craft market contact info. Crafter's Market is my new go-to reference. I wish they'd had this in past years.0 of 0 people found the following review helpful. Turn your crafting into a career! 2015 Crafter's Market is the perfect start to your crafting career. Thousands of artists and writers have relied on us to develop their careers and navigate the changing landscape of their fields using our sister publications, Artist's Graphic Designer's Market and Writer's Market. For the first time, that same resource is available for crafters! The 2015 Crafter's Market introduces a whole world of possibilities for marketing your craft! Expand your business with these resources: Complete, up-to-date information for more than 1,000 craft market resources, including craft shows, magazines, book publishers, online marketplaces and more! Markets for a variety of crafts, including quilting, sewing, knitting, crochet, papercrafting and jewelry making. Articles on the basics of freelancing--from basic copyright information to tips on promoting your work. Informative articles on social media marketing, wholesale and consignment sales and pricing your crafts. Inspiring and informative interviews with successful craft professionals such as Tula Pink and Margot Potter.

"In addition to up-to-date and complete resources, the interviews of successful crafters are most-inspiring" --Crochet Queen: Royal Ramblings "Besides some general all-purpose business articles, you'll find information on finding your niche, branding strategies, developing a social media presence, selling on etsy, improving your graphic design and photos, handling wholesale and consignment shops, pricing your work, and getting published in books and magazines." --Beading Arts "If you're into making crafts and thought that you might be interested in making some dough off of your creative work, then you will want to pick up a copy of the 2015 Crafter's Market." --Mark Lipinski "Just looking through this book at first, I could tell that it was a 'must have,' not only for new crafters, but for experienced ones. And every time I opened it to read a section, I found another section that was just as interesting and just as important." --The Crochet Doctor
