I found myself in need of a new calendar and it gave me the perfect excuse to get the coloring book and calendar in one! It was great that I could order my calendar in the middle of the year and not have half of it go to waste like Jan - Dec calendars. It is the perfect size. I fits in my purse and is big enough for me to write everything I want in it. I do not have to squeeze my information into those pocket calendars. I also don't feel like a juvenile carrying around a coloring book. It helps me be patient while waiting for appointments. I just pull it out and a few coloring pencils while I am waiting. It is truly relaxing. It is a great plus that it has a vinyl cover over the outside. It keeps it from getting dirty in my purse and keeps the coloring for rubbing off onto other things. I love it and it will be my calendar of choice year after year.0 of 0 people found the following review helpful.
