Also, I thought it would be all mandalas and paisley, but they were just the first page. It ended up being a variety. And February had a fish splashing in water, which is odd for the middle of winter. After that, I didn't color the rest. 0 of 0 people found the following review helpful. Very fun calendar to color!! By Customer I did this brand last year and really enjoyed it all year! The paper is good and strong as I found out by trying another brand this year that fell apart almost immediately!! I came right back and even bought some extras for gifts! I think these are the best and very fun to do, quality is everything!! Happy coloring! 0 of 0 people found the following review helpful. I'm Happy By PeachBlues This is a great calendar. Simple coloring so I don't get all flustered trying to get it just right. Works well with markers.
