Ronald D. Tarjany : 30 Toy Vehicles of Wood before purchasing it in order to gage whether or not it would be worth my time, and all praised 30 Toy Vehicles of Wood:

0 of 0 people found the following review helpful. wood toy patternsBy jpgrablegood book0 of 0 people found the following review helpful. all projects are like looking at mechanical drawingsBy N. MartinI was led to believe there were going to be templates. Wrong, all projects are like looking at mechanical drawings, are you have to use graph paper to transfer one size to another. Guess I'm not that smart. Threw book away.0 of 0 people found the following review helpful. Three StarsBy WoodworkerKind of old block style toys already advanced more than this book.

- already listed -

From the PublisherThis book contains 30 wood toy vehicle designs with a variety of simple to do, easy to make to

more complex designs. The reader will learn how to make wood toy vehicles by following the well-written instructions and many illustrations with dimensioned detail drawings and assembly drawings. A complete materials list that gives the reader the finished size is included for all 30 toys, which makes buying just the right amount of materials easy. Each of these wood toys will be a delight for any child who receives it or a great display piece for the home or office. From the Author I hope every woodworker that builds these toys from this book enjoys it as much as I did when I built the wood toys. Some are so easy they can be built in one evening and others will take a couple of days to finish. From the Back Cover Master woodworker Ron Tarjany has patterned a distinctive assortment of toy vehicles made of wood. Choose from 30 original designed wood toy vehicles. Just a few of these vehicles are: Small Steam Freight Train Toy Sports Car Work Equipment Crane Block'y Flatbed Truck Mac Delivery Truck Work Equipment Road Roller Block'y Tank Truck Old Timer Delivery Small Diesel Freight Train Work Equipment Bulldozer Each chapter covers one wood toy and is complete with detailed instructions, line drawings, photographs and list of materials. These toys of wood are ideal as gifts or to display on the shelf.
