I would recommend this book to anyone that needs a little scrapbooking inspiration. I love how it has ideas for every season and holiday!1 of 1 people found the following review helpful. Great book full of neat ideasBy MFI purchased this book for a challenge several of us in an online scrapbook group were doing throughout the year. It's chock full of ideas, day by day - month by month. Very fun to look through and gain ideas from.0 of 0 people found the following review helpful. Great serviceBy SarahThis book was like new and came within the week I ordered it!! I had seen the book at a store and knew it was one I would use as a reference and inspiration over and over.

This book has variations of materials covering all seasons.
