One of my Dachie pups knocked it off the coffee table a few weeks ago and proceeded to chew it in a million pieces. I just had to replace it. Thanks for finding it for me. I have put it in a higher spot now. 0 of 0 people found the following review helpful. All the blocks you will ever need and a perpetual calendar as well. The item arrived in double quick time, so quickly in fact that I was surprised to receive it so soon. Well done !!!

Own the calendar that will keep you quilting for months, even years to come—there's a quilt-block pattern for every day of the year! From romantic hearts and friendship blocks to delightful flower and garden arrangements; from falling leaves and Halloween treats to whimsical angels and jolly Santas, you'll never run out of ideas for creating your next quilt.
