There are some good and some not so good ideas that you can choose to adjust to your program or just ignore. Some activity ideas were just added to make the 365 count, i.e. clean a toaster...0 of 0 people found the following review helpful. Great activity ideas !By CustomerThis book is very helpful with ideas pertaining to activities for kids. They are quick and easy to setup and the children maintain interest throughout the activity. Sometimes we do multiple activities as some of the activities are shorter than others. I would recommend this to Parents and After School Care Coordinators.0 of 0 people found the following review helpful.
