By Ms. Emilian This book was a little disappointing in that the patterns and designs were not as sophisticated as I thought they would be. They were a little too cute and the finished product did not appear to be well done. A little disappointed. If you are looking for more artsy stuff don't get this book. 7 of 12 people found the following review helpful. 4 Seasons of Fleece By mystery lover This book is for anyone who loves working with fleece. The projects and ideas were wonderful. I now have several patterns that I just can't wait to work on.

Soft cover publication from designers Barbara Finwall, Nancy Javier, and Jeri Clements features a variety of versatile

fleece sewing projects to help celebrate all four seasons.
