**Waldman : 400+ Embroidery Stitches for Quilts (Love to Quilt)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 400+ Embroidery Stitches for Quilts (Love to Quilt):

7 of 7 people found the following review helpful. Don't buy!!!!!!!!!!!!By JEBFPTThe cover is such a joke when you turn inside. All of the stiches are graphs are only in black white so you can't see what it looks like really. I would not ever, ever, ever buy a book with her name on it again. I should have gone with my gut and purchased the other book about stiches. The cover is the only colored photo showing stiches in on the whole book. I have never, ever, never, ever been so disappointed in something that I have purchased in all my life!!!!!!!!!! What a scam!!!!!!!!!!30 of 31 people found the following review helpful. Like the patterns butBy Mari PennThere are very few pictures of actual embroidery in this book. The pattern diagrams are lovely, and make my mind start clicking about where to use the stiches and others that can be made from them. It is just that I love to see the quilts and embroidery and I was so disappointed to not have them here! However, the book is inexpensive and contains all of the lovely diagrams, so I would buy it anyway.15 of

15 people found the following review helpful. Embroidery stitches By D. Waggoner This book shows a lot of embroidery stitches especially for crazy quilt type stitching. I did not find the illustrations particularly helpful. It shows that you can combine a lot of stitches but not how to get from point A to point C, D, etc.

Embroidery embellishment is all the rage in quilting today. Joan illustrates more than 400 embroidery stitches. These designs can be used for crystal placement and are great for quilting design filler patterns.

About the Author Joan Sjuts Waldman has been a quiltmaker, designer, and teacher since the mid-1970s. She is co-founder of the Calico Quilt Club of Columbus, Nebraska, and member of the Country Piecemakers Quilt Guild of Norfolk, Nebraska, Nebraska State Quilt Guild, NQA, and AQS.
