**Paul Moran : 50 Character Dolls to Make at Home (A David Charles Craft Book)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Character Dolls to Make at Home (A David Charles Craft Book):

0 of 0 people found the following review helpful. Great patterns for dollsBy Jennifer E. BainterReally cute dolls and patterns. Can't wait to have the time to start sewing them!0 of 0 people found the following review helpful. but the doll ideas are very nice and translate well to other stylesBy Heather HilburnThis doll book is OK. I don't care much for his patterns and instructions, but the doll ideas are very nice and translate well to other styles. The main thing I don't care for is that he glues his arms to the shoulders. That's not going to work for a toy. He also uses a separate fabric for the limbs and face which results in oddly colored dolls. This is book that's not bad to have, but you won't miss it from your library.

Contains full-size patterns for 50 dolls, all made from five basic body shapes. The book includes clear diagrams and full step-by-step instructions which are designed to be both accessible to beginners and experienced needleworkers alike. The range of dolls includes ones for Easter and Christmas.
