Money is tight these days but thats no reason why you cant have the cleaning products you use and love. From furniture polish to laundry detergent and air fresheners, you can make your own using ingredients that you might even already have around the house! Who knew that vinegar, for instance, had so many uses and could even be used as a fabric softener? In 50 Homemade Cleaning Solutions youll find recipes for solutions that can be used in every room of the house, and even for the bricks outside! You might not ever have to buy another bottle of big brand cleaning solution again
