Just block patterns that give you very vague instructions, so order a how to book with it in case you are a novice quilter.0 of 0 people found the following review helpful. Brings memoriesBy C S MooreLove this one! Loaded with some of the old patterns I remember my Mom and Grandmother making. There are also lots of applique which I am now trying to master. Keep the books coming, we can always learn more!0 of 0 people found the following review helpful. Alright but scatteredBy Melissa L.The first couple pages were great. The book had a pattern with the dimensions to follow, and then the remainder of the book goes through different appliques with no real guidance or directions on how to make or prepare. But the graphics are great.
