Judy Hopkins : 501 Rotary-Cut Quilt Blocks before purchasing it in order to gauge whether or not it would be worth my time, and all praised 501 Rotary-Cut Quilt Blocks:

0 of 0 people found the following review helpful. De-mystifies quilt block assembly By Kindle Customer Clear illustrations for each block, with 6 options for finished size, exactly what and how many pieces need to be cut. Piecing diagrams are crystal clear. Wonderful assortment, hard to choose where to start. 2 of 2 people found the following review helpful. Tons of blocks By alj5 Was purchased for my quilter mom for her birthday. Helpful because she is making a Cal-King quilt in reds whites and wants every 8" block to be different. Lots of great quilt blocks from easy to difficult. That said, brand new quilters should save this book for later because there are virtually no directions (moderately experienced quilters and above). Additionally, while there are multiple size guides for each block pattern, they are not all uniform (i.e. not all 501 blocks have size guides/directions for 8" blocks) some will have 7" and 9" while another will have 5.5" and 8". 1 of 1 people found the following review helpful. Start here for your next project

design!By ENGINEERIt is a have-to-have for your quilt library if you like to design your own blocks for pillows or quilts. It has great color examples of all the different blocks; then has the different measurements for various block sizes. The block designs are well marked and the various sizes are easy to follow. I really appreciate that the author has included the 1/4 inch seam allowance into the cutting size. It is a great place to start when you want to start a new project.

Welcome to the ultimate quilt-block book! Best-selling author Judy Hopkins combines blocks from her popular Around the Block series into one handy volume.Features 501 pieced blocks, each with cutting and construction directionsEach of the blocks is offered in six different sizes, resulting in more than 3,000 different block possibilitiesGet the master compilation of the successful books Around the Block, Around the Block Again, and Once More around the Block

When it's time to add to your own home library, quilting books are a fantastic bargain. For instance, Judy Hopkins' 501 Rotary-Cut Quilt Blocks sells for \$29.95. That's less than \$.06 per block. How's that for cheap! You'll turn to a reference book like this time and again when choosing pieced blocks. --From KeepsakeQuilting.comAny library strong in rotary quilt blocking must have Judy Hopkins's encyclopedia 501 Rotary-Cut Quilt Blocks of over 500 such quilt bocks. It features complete instructions for each of the blocks, offered in six different sizes for over 3,000 different block possibilities, and it packs in over 3,000 possibilities for blocks. Avid quilters need this compendium of options, and any library catering to them will find it a popular lend. --From Midwest Book About the AuthorWe were saddened to hear of the passing of Judy Hopkins on March 9, 2011.Judy was one of our most prolific and bestselling authors, having published 17 books between 1989 and 2011. Her collaboration with Nancy Martin, 101 Fabulous Rotary-Cut Quilts, has sold more than 131,000 copies. Her Around the Block series, which ultimately became 501 Rotary-Cut Quilt Blocks, was the design source for probably tens of thousands of quilts around the world. Judy was a major figure in the quilt industry for decades. She will be greatly missed. To honor her memory, Judy's family is commemorating her work through a website and blog. Family, friends, and fans are welcome to post comments and share stories about Judy's quilts and the creativity she inspired. Visit JudyHopkinsQuilting.com.
