From Dover Publications : 60 Great Magic Posters Platinum DVD and Book (Dover Electronic Clip Art) before purchasing it in order to gage whether or not it would be worth my time, and all praised 60 Great Magic Posters Platinum DVD and Book (Dover Electronic Clip Art):

3 of 4 people found the following review helpful. Magician Poster Book DVDBy C HochevarBeautiful posters in this book and on the DVD. I am very pleased, especially for the price. I hope they make another book of additional posters!0 of 0 people found the following review helpful. Collection of Magic PostersBy BombinaGreat book of posters from an era when magicians were kings. Also some extra posters on the DVD. I bought my copy from Edward Hamilton,bookseller,for \$13.95.2 of 6 people found the following review helpful. Never Sent Book - No Response -

Based on poster art from the great age of stage magicians, this unique collection presents images of Harry Houdini and other prominent illusionists. Full-color illustrations depict conjurers performing acts of hypnotism, levitation, and other mystifying feats. Posters can be used in arts and crafts projects, printed at poster size, and played as a slide show on a computer or DVD player.
