Dianne Bee, Maggie Weldon, Carole Prior, Rena Stevens, Terry Kimbrough, Anne Halliday : 99 Floral Motifs to Crochet (Leisure Arts #3000) before purchasing it in order to gauge whether or not it would be worth my time, and all praised 99 Floral Motifs to Crochet (Leisure Arts #3000):

0 of 0 people found the following review helpful. 99 Floral Motifs to crochetBy Douglas GendronI enjoyed making quite a few of the motifs in this book. They make great pins and toppers for presents and little girls hair!!!!0 of 0 people found the following review helpful. Four StarsBy MARTHA THOMASok3 of 3 people found the following review helpful. One of the best books of floral motifsBy CurmudgeaDon't be put off by the rather murky photos and nondescript colors. The illustrations are the only reason I didn't give this book 5 stars. This slim book is chock-full of terrific floral motifs.The actual crocheted result of many of these patterns is often a beautiful, highly dimensional flower that will be a pleasant surprise, given the poor photos. I was able to create two adult-size sampler afghans -- with hardly any repetition -- using mostly motifs from this book, along with just a few from other sources and a couple of my own designs. The designs are by some of our best crochet designers, such as Anne Halliday, Maggie Weldon, and Terry Kimbrough. Once you've made a few of these, you will learn easily to turn just about any flower into a square to incorporate into an afghan, even though not all the motifs are squares. Also, it's easy to turn most of them into a uniform size, adding or subtracting rounds.

Discover a wide selection of floral motifs to crochet! 99 in all! Full color photos and clear instructions show you how

to join them together to make a variety of projects.
