**Bernadette Hersk : A.B.Cs of Batik (Chilton's creative crafts series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A.B.Cs of Batik (Chilton's creative crafts series):

0 of 0 people found the following review helpful. Too outdated to be useful!By Laura DewarIt was so outdated it was useless. The glue was crumbling in it and the book fell apart as soon as I got it. I ended up throwing it in the trash as I couldn't see any use for anyone. I ordered a few other batik books that were very good.
