## Beginners Guide and Recipes for Making Simple, Homemade Bath Bombs (The Homemade Spa):

5 of 5 people found the following review helpful. Great read, helps make violently fizzy bath bombs!By A Michelle  
This had so much information that I needed to know. I began making bath bombs a while back with no luck, and then I received this book at a discounted rate in exchange for my honest review. I'm so happy I got the chance to read this! It made me understand what ratios I truly needed to be able to make AWESOME, violently fizzy bath bombs. My bath bombs come out SO much better than before, and best of all they stay together. I used a round bath bomb mold to make sure the bath bomb was the perfect shape. It worked out well, and I ended up making several bath bombs at once to give out to friends. Great read!  
3 of 3 people found the following review helpful. A Beginner's Guide to DIY Bath BombsBy Donna BC.  
Great recipes, the instructions are easy to follow and I highly recommend this book to anyone who wants to make their own bath bombs.
