All four of our children participated and had such a fun time remembering different times spent together! The book was so simple that the children basically filled it in themselves. For once this Christmas they are excited to give this to Grandpa instead of asking what Grandpa is going to give to them!! Love it!!

In A Book About My Grandpa, Grandpa's precious grandchild is the author and illustrator of a book all about Grandpa! Sentences are started but left for the grandchild to finish, along with a blank adjacent page for the grandchild's own unique artwork illustrating what he or she has just written. A Book About My Grandpa would make a cherished one-of-a-kind birthday, Grandparent's Day, Father's Day, or Christmas gift. Encourage your child's creativity, and put a smile on Grandpa's face at the same time!
