I have bought all of the Better Homes Garden Christmas books. They are all very different. Each has a lot of ideas for gifts and keepsakes. It has everything from Santas to the Nativity. It has cute items; to items that are absolutely stunning. You find ornaments, gifts, samplers, dining accessories, and clothing. There is something for everyone. 0 of 0 people found the following review helpful. This book is so great that I bought it twice By K. Bell This book is so great that I bought it twice.
