From Unknown : A Framing Guide and Steel Square before purchasing it in order to gage whether or not it would be worth my time, and all praised A Framing Guide and Steel Square:

0 of 0 people found the following review helpful. A great source of informationBy Customerhad this book for years, had to replace it when a co-worker(?) must have needed it more than me. A great source of information.0 of 0 people found the following review helpful. Four StarsBy Olive Chasergreat information0 of 0 people found the following review helpful. Priceless information for the DIY guyBy Dorothy ThomasGreat information, my husband refers to it all the time. Good basic how to/how much book. It is small enough to carry in your pocket or tool box for quick reference.
