For everybody interested in the exciting hobby of collecting old bottles, the crystal clear waters which surround Bermuda contain an abundance of these beautiful relics, which are fun to search for and also provide a unique glimpse

into the past. An easy to read and informative guide covering the many aspects of bottle collecting, with loads of colourful photographs showing the wide variety of shapes, sizes and colours of old bottles that can be found in Bermuda.

About the Author Steven R. McPhee resides in Bermuda and has been a keen bottle diver since 1985. His interest and enthusiasm for the hobby inevitably led to the research and writing of his first book. Steven is also a trained commercial diver and has worked professionally in many parts of North and South America.
