Lynn Wilson : A Handbook For Grandparents before purchasing it in order to gage whether or not it would be worth my time, and all praised A Handbook For Grandparents:

1 of 1 people found the following review helpful. A Delightful and Educational Read...Highly RecommendedBy Customer - CanadaThis book is an amazing amalgamation of many years of personal history and professional experience, combined with up to date proven Teaching Methods. It also highlights the way children learn to interact with Grand-parents (and Vice-Versa). It is a fun read loaded with ideas to entertain and further enjoy your little ones. Whether you are a new Grand-parent or not, everyone will learn something from reading this book and be enriched when you share the knowledge. The inserts and comments from real life Grand-parents combined with the drawings

from real life Grand-children showcasing their perspective on Grand-parents is very charming. Happy Grand-parenting! 2 of 2 people found the following review helpful. Not only for Grandparents!! By Customer Don't let the title fool you! This is a great resource for anyone who wants to engage in fun and easy activities for children. The layout of the book makes it an easy reference to find specific activities that are sure to hold children's interests. I have implemented several of these activities since I've bought the book into my Preschool Program with ease and success. I would highly recommend this book. 1 of 1 people found the following review helpful. A Handbook For Grandparents is a wonderful resource full of developmentally appropriate play ideas that are ... By Customer A Handbook For Grandparents is a wonderful resource full of developmentally appropriate play ideas that are fun and engaging for both children and adults. No expensive gadgets or screens are needed to support children's development, build relationships and promote mutual enjoyment. Wilson's book is pure refreshment for those who want to forge meaningful relationships with their grandchildren and support their children's parenting!!!

Are you a grandparent looking to connect with your grandchild? A parent looking to help your own parents connect with your children? Are you looking for activities to do with your grandkids that are not only fun, but also educational? With over 700 different creative and educational crafts and activities, from imaginative rainy day activities to tasks designed to help with difficult transitions, the projects in this handbook will give you the tools to connect with your grandchildren and meaningfully impact their growth and development. With increasingly longer life expectancies in our society, children are able to have longer and more meaningful relationships with their grandparents, and they can have fun while they're doing it! Speaking to the need for positive intergenerational relationships in today's families, A Handbook for Grandparents is your comprehensive guide to helping your grandchildren grow and develop in a positive way.
