Instructables.com : A Kid's Guide to Awesome Duct Tape Projects: How to Make Your Own Wallets, Bags, Flowers, Hats, and Much, Much More! before purchasing it in order to gage whether or not it would be worth my time, and all praised A Kid's Guide to Awesome Duct Tape Projects: How to Make Your Own Wallets, Bags, Flowers, Hats, and Much, Much More!:

15 of 16 people found the following review helpful. great purchase for a gift or for yourselfBy AP BoylesThis book is so awesome!!!! Better to get real book, not the Kindle version. It's a BIG hardback nice quality book. Over 40 projects to make. Nice projects, not childish ones. There are many ideas for things to make for grandma, but most are geared for older kids...unless you're a parent would loves duct tape, then this is the perfect excuse, that you need to help little Johnny. My son is12 and loving the book. Those teenagers who make their prom clothes from duct tape?

probably started their skills using this book. (I highly advise purchasing one the 18 assorted rolls of tape from . You need a lot of duct tape) each project has detailed instructions but even better, LOTS of detailed pictures. It's hard to mess up with all those pictures.1 of 1 people found the following review helpful. PICTURES WERE TOO DARKBy saddieI have to say after reading the other reviews a felt confident this would be a great book for my 10 year old. When I received it the pictures (which are very important because they show how each step is done) were either too dark or very yellowish. Why would some one make such a wonderful cover and not use professional pictures inside. I would not recommend.0 of 0 people found the following review helpful. Five StarsBy MKHFor my granddaughter for Christmas...

It is a known fact of the universe that duct tape can fix anything. If its broken, just add duct tape! For generations this has been the case, and now thanks to Instructables.com, theres one more thing duct tape can fixboredom! Duct tape has come a long way since being a simple metallic roll that youd find in your grandparents basement. Walk into any craft or DIY store and youll have your senses bombarded with all sorts of colors and patterns, like argyle, zebra print, and even penguins! And unlike fancy origami paper or glitter, duct tape is inexpensive and lasts forever. Only in this all-in-one Instructables collection can you find some of the most unique duct tape projects that will make you the coolest person you know. Everybody will be talking about your duct tape art, with projects including: The classic duct tape walletA dapper duct tape bow tieA fabulous duct tape clutchDuct tape lilies for your valentineAnd so many more! Making paper snowflakes and beaded bracelets are so twentieth century; the future is here and its made from duct tape. Impress your friends, entertain guests, keep your creative juices flowing, and save tons of money on Christmas presents all at the same time! With A Kids Guide to Awesome Duct Tape Projects, youll be the talk of the town before you even know it.

About the Author Instructables.com is a bona fide Internet sensation, a web-based community of motivated do-it-yourselfers who contribute invaluable how-to guides to the site on a wide range of topics, from gardening and home repair to recipes and gadgets that defy categorization. The site hosts more than 100,000 projects. More than 15 million people visit the site each month, leaving comments and suggestions on the ever-growing list of do-it-yourself projects. Nicole Smith is an editor and part of the community management team at Instructables.com. She earned a BA in English from a little private college in the cold wilderness of Minnesota. Among her many hobbies, she loves to spend time working on needlecrafts like knitting, crocheting, and needle tatting, as well as baking incredibly sugary sweet treats in the kitchen.
