Although I have not made any of the designs in this book as yet, it contains many cute Christmas ideas. I appreciate Ms Schaefer's whimsical designs for her applique patterns, always clear and well done..1 of 1 people found

the following review helpful. Fun projects, good varietyBy CustomerLots of fun projects and a lot of variety in the designs. The instructions are fine for a sewist/quilter with a little experience but would be difficult for a beginner to follow. Looking forward to making some of the things in this book for Christmas this year.0 of 0 people found the following review helpful. Five StarsBy CustomerFun holiday cheer

Perfect to decorate your home or as gifts for loved ones. (Down Under Textiles, Issue 172)The 27 projects are simple, easy to make Christmas household decorations, cushions, wall hangings, runners etc. They are decorated with 'folksy' spindly reindeer and Father Christmas figures. There are three tree skirts. A selection of placemats are made using varying methods, some have applique, some are pieced, and some are woven. One wreath is a circle of fabric wrapped polystyrene balls, another has raw edged leaves and holly berries glued to polystyrene circle. There are coasters with snowflakes and robins. The templates are on a separate worksheet.
