Slant on Bargello QuiltsBy Terry FamasThis book is a lot like the original bargello quilt book, but with new twists that really add spark to the simpler barello quilt method.It is geared to a more skillful sewer. I can't wait to find the perfect blend of fabrics so I can attempt one of the patterns in this book.0 of 0 people found the following review helpful. Four StarsBy Diane SimonNice book10 of 10 people found the following review helpful. Awesome Book.By Miss LoisClear, concise instructions. I am sure I can self-teach this method of quilting from this book. It isn't so complicated, when you have this book to lead you through the process of bargello. Good luck!!!
