0 of 0 people found the following review helpful. Great bookBy A CustomerMy grandson isn't even four and he loves these books. He can now write his name and most of the alphabets because of these books. He gets excited for the challenge the book gives him.0 of 0 people found the following review helpful. Great starter bookBy CustomerGrandchildren loved working in this book.0 of 0 people found the following review helpful. It is a great book. I only wish it was made so ...By Karen FowlerIt is a great book. I only wish it was made so she can a erase and retrace the pages!!

Is your little one ready to learn the Alphabet? "Let your child learn the ABC's in a fun manner! This book enables children to challenge their brains, sharpen and strengthen their thinking process. Many educators agree that interactive trace and word books are among the best ways to engage children in the thinking process, and ABC Trace Learn For Fun Book offers a great way for your little one to expand their little brain. So, are you ready to let your child trace, learn and have fun?
