Patricia C Barry : ABCs of Longarm Quilting before purchasing it in order to gage whether or not it would be worth my time, and all praised ABCs of Longarm Quilting:

0 of 0 people found the following review helpful. Building an Excellent Reference Library By Ima ReedagalExcellent reference, full of things I didn't know and had not found elsewhere. A handy, good reference to my personal long-arm library.19 of 19 people found the following review helpful. Basic information By KMAGreat beginning book with basic information for longarm quilting. Very detailed photographs. Based on the Gammil machine, so if you don't have that type, you will have to adapt. If you already have a machine, and have used it, then half the book would be repetitive to you. Regarding LA business, she presents all the areas that you need to consider, with short paragraphs of information. There are several beginning patterns in the back, which are nice to have. Book is spiral bound, allowing to lay it flat.3 of 3 people found the following review helpful. Well written and very easy to understand By Avid Reader Light ReadingExcellant book! Just what I needed. Well written and very easy to understand.

This long-arm quilting book accomplishes what other references only strive to, by instructing serious quilters in the manner they learn best - using a variety of teaching styles. Whether you favor precise plans and extensive details, or thorough concepts demonstrated via illustrations, everyone can learn from this diverse tutorial. This comprehensive long-arm quilting guide: Explains capabilities and generalities of long-arm machines Demonstrates basic techniques using pantographs and free-hand quilting Includes four projects and two patterns

About the Author Patricia C. Barry is every quilters' ally, a patient and professional quilting instructor. Through her business, By Design Quilting, LLC she has taught hundreds of people how to use long-arm quilting machines. She is a sales rep for Gammill Quilting Systems, and is a familiar face at major quilting trade shows. Pat writes user manuals for Gammill and wrote the Creative Studio User Manual for Gammill's Statler Stitcher System.
