Tammy Young, Lori Bottom : ABCs of Serging: A Complete Guide To Serger Sewing Basics (Creative Machine Arts Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised ABCs of Serging: A Complete Guide To Serger Sewing Basics (Creative Machine Arts Series):

39 of 40 people found the following review helpful. If your serger instructions aren't great By Amethyst I am finding helpful instructions in this book. I am an inexperienced serger AND sewer, and my serger's instruction book and video are COMPLETELY useless. The pointers on tension, stitch width, and stitch length have already improved my understanding of how a serger works. I do agree with the first reviewer that photos would be handy for illustrations of

stiches and effects. 1 of 1 people found the following review helpful. Good Basic Book for Beginners on Sergers By zazz When I bought a serger, this was one of three or four books I bought to teach myself about serging. I have referred to it several times. If you are a book person, then this is a good investment. However, now I find that if I Google my serger questions, I can usually find the answer in a forum. If you find you need a concept explained visually, you can look on Youtube, there are lots of tutorials. 1 of 1 people found the following review helpful. ABC, makes learning as easy as 123! By CustomerCAT This has been my go to book as I have been learning my serger! The reviews both on and Facebook were 100% correct : This is the only book necessary to master your serger. I received it earlier than expected, plus, I am sure that it was actually brand new. Not a mark, crease, or sign of wear, when I first received it. But, now, anyone can easily tell that it is one of my current favorites!

Explains briefly how a serger works, discusses setup, threading, and adjustments, and shows the types of stitches and their applications for fast sewing.
