Polly Pinder : Aboriginal Designs (Design Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Aboriginal Designs (Design Library):

0 of 0 people found the following review helpful. Australian Aboriginal designs for coloringBy Chi-GirlTeaching 2nd graders about the indigenous people of Australia - these designs arrived later in our study but will work well next year.0 of 0 people found the following review helpful. Excellent adjunct to the original work!By R. Scott RunnionThe new design library nicely augments the original edition! The CD with all the designs in 2 b/w editable formats is a great boon! Highly recommend this!0 of 0 people found the following review helpful. Three StarsBy Mayree LowmanIt was somewhat repetitive.

The unique and vibrant artwork of the Aboriginal peoples of Australia is reflected in the 100 black-and-white illustrations in this design collection, bringing the bold cultural style into an accessible format for a limitless variety of projects. An expert designer created inspiring templates for art that spans mediums and applications, such as ceramics, paintings, collages, mixed-media works, quilting and other needlework patterns, cards, and textiles. Crafters, hobbyists, and artists have full control over the use of the designs in their projects through the accompanying CD-ROM, which allows for easy size alterations and personalized enhancements.

Mar 13 Less is known about Aboriginal art than most other art forms. There are very few books about it. Yet it offers a

vitality and style which is very distinct and interesting. For this book, Polly has used her knowledge of aboriginal art to create 100 images and designs which can easily be reproduced by artists and craftspeople. On offer are some stunning images including leaping kangaroos, decorated boomerangs, shields and masks. Aboriginals used these designs on all kinds of items including shields, body art and vessels. The large designs can be traced and used time and time again. Alternatively, you can use the free CD Rom to print off requisite images. A fascinating collection which will be valued by any artist or craftspeople seeking inspiration and new ideas. * Monstersandcritics.com * Feb/Mar 13 Maori Designs / Aboriginal Designs With 100 specially commissioned, hand-drawn original images, these design source books contain a wonderful selection of illustrations inspired by the traditional art and crafts of the Maori and Aboriginal people. The patterns and motifs are based on tattoo designs, woven work, pottery, jewellery, extraordinary rock paintings and the patterned and figurative images that were painted onto everyday items. These excellent source books are copyright free, they include a free CD-Rom and should fire your imagination and give you all the help you need to create stunning, personal art. * Fabrications *About the Author Polly Pinder is a professional designer and a lecturer on graphic design. She is the author or coauthor of several books across a variety of crafting topics, including "Eyelet Greeting Cards," "Handmade Oriental Cards," "Papercrafts for Christmas, " and books from the Design Source Books and How to Draw series.
