Charles E. Slocum : About Tobacco And Its Deleterious Effects - A Book For Everybody, Both Users And Non-Users before purchasing it in order to gauge whether or not it would be worth my time, and all praised About Tobacco

And Its Deleterious Effects - A Book For Everybody, Both Users And Non-Users:

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
