First, although the colored pictures are nice, they are not put on the same page as the directions. The colored pictures are in the front pages, so when you want to refer to the colored picture, you have to constantly turn back. Yes, there's clear black and white photos, but I would have paid 5 bucks more for them to put them together. That was just dumb.... here we all are, flipping back and forth!Next, being new to this, I'm adding the items to my shopping list.... and see the Florist Wire does NOT list a gauge,only length needed.That said, the designs

are cute, directions easy, and pictures otherwise large and nice. 33 of 33 people found the following review helpful. I love this book! By Linda I love this book! Lots of great instruction and adorable animals to make. I made a ferret mama and baby and they turned out so cute! 0 of 0 people found the following review helpful. I did not find the instructions easy to follow at all. By Is4031 I did not find the instructions easy to follow at all. However I am a newbie to this. Otherwise a very nice book with cute animals!

Create cute and realistic felted animals with this fun and easy-to-follow needle felting book. Nothing feels better than a cute, fuzzy animal you can hold in the palm of your hand. Adorable Felted Animals shows you how you can create more than 30 endearing dogs, cats, birds and other animals using a little wool roving, a felting needle, and a few simple techniques. Starting with basic shapes you roll in your hands, you can sculpt the most lifelike miniature animals, using your felting needle to join the individual parts and give them their firm and final shape. With little bits of contrasting wool you can give your felted friends expressions that are irresistible. It's easy, creative, and very relaxing. These cute felted animals range from the wonderfully realistic to enchantingly cute. Included in this book are: Beloved dogs such as Golden and Labrador retrievers, a Pug, a Poodle, and Dachshund and more Exotic cats, like the Siamese and Abyssinian Feathered friends such as the parakeet, cockatiel, lovebird and finch Other household companions like the ferret and hamster Outdoor dwellers like the chipmunk and rabbit The animals range from about 2-4 inches high, and instructions are included for turning a few of your felt creations into fun dangly accessories. A full lesson takes you through one of the projects from beginning to end, covering all the basics to ensure that you have all the skills you need to make any critter you want.

"The book is set up with pictures of all the projects and then a detailed and illustrated set of instructions for needle felting and making one of the dogs. The patterns for the rest of the animals provide the shapes needed to create the animal as well as the details and order to put it together."
