**George G. Morgan, Drew Smith : Advanced Genealogy Research Techniques** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Advanced Genealogy Research Techniques:

4 of 4 people found the following review helpful. Good Summary of AvenuesBy ShoenutDon't know if I would characterize this as "advanced." But the book was certainly appreciated by the individual who received it. He is just getting started and has had a few successes.0 of 0 people found the following review helpful. Wonderful. ComprehensiveBy AlecWonderful. Comprehensive. Easy to read.0 of 0 people found the following review helpful. BasicBy CustomerAdequate and sufficient but not stimulating. Could find better value for money elsewhere and shall keep trying. There must be a better guide out there.
