From Leisure Arts, Inc : Afghans For All Seasons Book 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Afghans For All Seasons Book 2:

7 of 7 people found the following review helpful. Good variety for 2nd book in seriesBy LynnZ.Afghans for All Seasons is true to its title as there is a really nice variety of crochet projects from heavier blankets done with two yarn strands held together to lighter weight lacy ones. There are whole cloth projects, scrap-ghans and a good variety of motifs, some pieced together like a quilt - 52 projects in all. I've already tabbed my copy for the projects I intend to make! I have dozens of crochet books, including the first one in this series, and not a single pattern is a duplicate. Every project is photographed in color and there are close-ups and diagrams with details of special techniques or stitches. There are seven pages in the back of the book explaining and diagraming basic stitches, pattern stitches used in the projects and other stitching and finishing tips all of which are most helpful. I like that the projects are organized by seasons with yarn colors appropriate to the season. The only thing the book lacks are ratings for each project so you know immediately which are easy, intermediate or advanced. Overall this is an excellent book and you won't regret its purchase.0 of 0 people found the following review helpful. Very nice bookBy wlk4funI enjoyed the pictures and reading the patterns... but I don't really crochet. I will pass it on to a friend who crochets.0 of 0 people found the following review helpful. Afghans For All Seasons Book 2By JGThis is a great book! Lots of great afghans

Beautiful afghans for any season
