Leisure Arts : Afghans for All Seasons, Book 3 (Leisure Arts #108217) before purchasing it in order to gage whether or not it would be worth my time, and all praised Afghans for All Seasons, Book 3 (Leisure Arts #108217):

As in Books 1 2, seven pages in the back of the book are devoted to basic crochet stitches, special stitches used in the patterns, crochet tips and assembly techniques - all in easy to understand wording and with good diagrams. Patterns are again organized by the seasons, 52 patterns total with no repeats from either of the first two books. There is a nice variety of patterns including one piece afghans,

motifs, strips like the mile-a-minute style, several puff patterns, a wonderful Christmas afghan assembled like a quilt and two different patriotic American flag style afghans. As in the two previous editions, this third book also does not have the rating bar for quick recognition of each pattern as easy, intermediate or advanced. If I can't determine the level of ease by reading the pattern, I just use up leftover yarn to make a test swatch. Overall this is a very good book and should appeal to any crochet artist. 0 of 0 people found the following review helpful. Five Stars By Debbie Ellis Book was in perfect condition thank you 0 of 0 people found the following review helpful. Many different types of afghan patterns By Tilly Ann There are many great patterns of different levels, so I'm looking forward to trying a few. I'm still learning crochet but appreciate that this resource can be useful now as a beginner but also later when I'm more skilled.

Cozy up to these soft, inviting afghans 52 tried and true favorites from Leisure Arts, all in one spectacular edition. Whether giving them as gifts or decorating with their loving warmth, these afghans will suit the needs of every season. Welcome Spring with soft charm and blooming colors; bid Summer hello with bright designs; capture Falls spectacular transition with harvest hues; and wrap up for Winter in beautiful, handcrafted style.
