**John Gollehon : All About Baccarat** before purchasing it in order to gage whether or not it would be worth my time, and all praised All About Baccarat:

Baccarat is a gambling card game in which players hold two- or three-card hands, the winning hand being that giving the highest remainder when its face value is divided by ten John Gollehon is a million-selling author of more than two dozen gambling titles. His how to win gambling books, many of which are classics, have been on gambling shelves for more than three decades.
