These classic patterns can be stitched up in alternate colors to be suitable all year-round. Festive projects, from all-new felt ornaments to cheerful stockings, make treasured gifts.

In this book you will find lots of small Christmas projects in a folk-art style, many of them made with felted wool: ornaments, stockings, mug rugs, a candle mat, cosy and pillow. There are also some quilted projects such as a wall hanging, single bed quilt, table runner and tree skirt.
