If you want a nice a range of vivid and graphic designs that can work in many art and craft formats, not just needle arts, this book is a good place to begin. there is not much discussion on the meaning of the designs, their evolution and use in cultural or historical terms, but as a straight forward book of designs and graphs it works 0 of 0 people found the following review helpful. Native American designs By H. N Just what I was looking for.... Great

Authentic American Indian designs adapted for modern needlepoint: deer, maze patterns, stepped-fret patterns, thunderbird designs, mythical animals, the Sun Kachina, bear mask, geometrics, etc. Easily transferable to #10 needlepoint canvas. 37 designs.
