Her books are best for individuals who have some crochet experience and knowledge working with diagrams, color change, and crochet terms. I have the Ami Ami dogs books and love them all. It should be noted that the row counts along side the diagrams are numbered from bottom to top vs. top to bottom. Once you work thru the challenge of making one it gets easier.3 of 3 people found the following review helpful. Very cute kittens!By Paige BruzdowskiThis book is adorable!! As others have said it's not for beginners. The instructions are better suited to someone who already knows the basics and has made amigurumi before.The patterns are great though. And the pictures in this book are really fun! My daughter is 2 and loves looking at all the pictures with me and she laughs at some of the different things the silly kitties are doing. :) So this has ended up being a great buy for me!0 of 0 people found the following review helpful. Kitties Everywhere!By Melissa P.Seriously cute may be an understatement! The book came to work with me the day it arrived and all my female co-workers were in love with these little darlings. Sadly, moving has cut into my crafting time, but the bits I was able to get done before my craft things got packed went quickly and easily. FYI, the book does not list yarn weight, but I used Knit Picks sport weight

Palette yarn and my kitty head came out the exact same size as the pictures.

The third colorful and imaginative installment in the illustrated amigurumi series, following Ami Ami Dogs and Ami Ami Dogs 2. Amigurumi, which translates to knitted stuffed toy in Japanese, is the art of crocheting cute stuffed animals with large heads and small bodies. Ami Ami Kittens is packed with projects for all crochet lovers offering them directions and inspiration for creating a range of fun and irresistible yarn kittens. Detailed, easy-to-follow instructions, illustrations, and enchanting color photographs teach them how to create these super adorable felines of various breeds and types, including Tabby, Pointed, Black/White Solid, Black and White, Calico, Scottish Fold, Siamese, Russian Blue, Munchkin, Maine Coon, British Shorthair, and American Shorthair. Here, too, are instructions for transforming them into key chains, finger puppets, and magnets. Ami Ami Kittens covers a wide range of techniques, from basic crochet skills perfect for beginners to more challenging patterns for experts, and offers spiral methods to ensure that the stuffing stays inside the finished piece. Filled with pretty, fun, and irresistibly adorable young cats, Ami Ami Kittens provides hours of fun for every knitter and cat lovers, too.
